

Little boxes on the hillside,
Little boxes made of ticky tacky
Little boxes on the hillside,
Little boxes all the same,
There's a green one and a pink one
And a blue one and a yellow one
And they're all made out of ticky tacky
And they all look just the same.

And the people in the houses
All went to the university
Where they were put in boxes
And they came out all the same
And there's doctors and lawyers
And business executives
And they're all made out of ticky tacky
And they all look just the same.

And they all play on the golf course
And drink their martinis dry
And they all have pretty children
And the children go to school,
And the children go to summer camp
And then to the university
Where they are put in boxes
And they come out all the same.

And the boys go into business
And marry and raise a family
In boxes made of ticky tacky
And they all look just the same,

There's a green one and a pink one
And a blue one and a yellow one
And they're all made out of ticky tacky
And they all look just the same.

Amerikanische und kanadische Schülerinnen und Schüler verbringen die Sommerferien meist in einem **summer camp**. Das ist eine Art Ferienlager in Hütten oder Zelten. Die Kinder werden von jungen Erwachsenen bei Spiel, Sport und Bastelarbeiten betreut. (Auch von Europäern mit guten Englischkenntnissen – eine günstige Gelegenheit für einen Sprachaufenthalt).
