

Hi Alice!

This is my first letter in English.
I want to be your pen-friend.
It's nice to have good friends in another country.

I have a brother and a sister. David is eleven. His hobby is football. Helen is sixteen. Her hobby is the computer.

I'm thirteen and my hobbies are golf and tennis. We have a dog. His name is Spot. We live in a nice house with a little garden.

Yours,
Barbara
