

Hugo has found an old rifle in the attic.

He has found a wooden board in the cellar.

Then he has painted some circles on the board.

Now he has a target.

Hugo goes into the garden.

He places the target in front of a hedge.

Then he steps back.

He kneels down and aims at the target.

He shoots and hits the centre.

Hugo hears a loud cry.

The bullet has hit not just the target.

Hugo's neighbour is hurt.

The man is very angry.

Hugo prefers to run away.
