

Herbert White, James Dark, Charlie Brown and Mary Sweet all went to the same school. They left school in 1994, and they have had very different careers. What has become of them?

Herbert White became a politician ten years ago. He's very successful. He bought a country house five years ago, and bought a Jaguar at the same time. He's been a Member of Parliament for ten years. He's had his house and car for five years.

James Dark is a criminal. He robbed a bank in 2014, and escaped to the Bahamas. He bought a luxury yacht the same year. He's still on the island. He likes to sit in the sun. He's been there since 2014. He's had the yacht since 2014.

Mary Sweet and Charlie Brown fell in love at school. He gave her a ring when they left school. She wears it every day, and she has never taken it off. They got married in 2006 and they are still in love. They moved to France in 2008.
