This was Charlie's last wish: People should have fun visiting him.

All I want is a little more than I'll ever get.

Very good, chaps, now we'll try it from the plane.

First you don't want to come to the party - now you don't want to leave.

Why do you want her to walk and talk when you keep telling me to sit down and keep quiet?

If you're happy and you know it, clap your hands.

Hello, Billy - remember you said that although I was going to marry James Blond you'd always be waiting for me if ever I should change my mind?

I hope your mother won't be angry.

Don't worry, be happy.

You are my sunshine, my only sunshine.

I want to ride my bicycle.
